

16th December 2017
Peter Sinclair
Australian Legends Tour Championship
Byron Bay Golf Club

Dear Peter,

On behalf of the PGA of Australia I would like to take this opportunity to thank the Australian Legends Tour Championship Committee as well as the Byron Bay Golf Club, following the huge success of the Australian Legends Tour Championship.

The PGA of Australia has enjoyed a proud affiliation with the Byron Bay Golf Club for the past decade and it's great to see this affiliation continue to strengthen each year. Even with a storm that passed through late on the second day, the tournament was a huge success with a worthy winner crowned on Sunday in Lucien Tinkler.

The hospitality was once again nothing short of outstanding, with the visiting professionals are continually in awe of the treatment they once again received throughout the tournament.

The PGA of Australia once again would like to thank the team for their dedication and hard work and hope the experience continues to be rewarding for the Byron Bay Golf Club, as it was for the PGA and its members.

Many thanks

A handwritten signature in black ink, appearing to read 'Justin Maker'.
